Cask is a standout flooring option with bold 36" x 36" tiles forming a 6' x 6' parquet pattern of circles and crosses. Crafted in Spain, each colorway features 10 unique faces with lifelike grain, texture, and tones, making it nearly indistinguishable from hand-laid wood parquet. Unlike wood, Cask is suitable for both indoor and outdoor use, in commercial and residential spaces. Its grand scale, realistic detail, unique pattern, and versatility make Cask exceptional.
